in great funds and rebates. Mahaney, who has been mayor for more than four years, said he has provided leadership and helped devel-

op a series of new projects. He praised the fact that the city is experiencing an economic re-

covery and is poised to return to the green.

He said that the city has increased its revenue from sales tax, business tax, and property tax. He also noted that the city has reduced its debt by $2.5 million.

...and numerous municipalities across the nation have done so. State Rep. Kevin McCusker, a Democrat from Brick, said that he is certain that this decision will have some impact on who will be elected to public office.

McCusker told the newspaper that he was surprised by the decision and that he thought it was a bad one. He said that it will be difficult to see how this will affect the elections.

He added that he was not surprised by the decision and that he thought it was a bad one. He said that it will be difficult to see how this will affect the elections.
