CAPE MAY – Former Cape May Councilman David Kurkowski is a musician and a songwriter. He wrote his first song when he was 12 years old, and he has written many songs, as did many other people around the nation. Kurkowski said he was inspired, and he still has the sheet music. He talked about the song titled “Wake Little Child.”

“I wanted it to be a gentle song for children,” said David Kurkowski.

“Bob worked on the file music, and he decided it would be like to record it,” said Hayman, his choir director.
