Fountain of knowledge?

The Travellers Fountain in Cape May's Rotary Park notes on a plaque, 'The world is a book and those who do not travel read only a page.'

November is Lung Cancer Awareness Month

Lung cancer is the leading cause of cancer deaths in the U.S. In men and women, with 80% of those deaths being preventable to be caused by smoking. Long time smokers should speak with their physician to see if they qualify for a Low Dose CT scan (LDCT), that can detect lung cancer early and increase survival rates.
