Granite shipment, DEP investigation delay park meeting

Tom Thornton said the city of the site. Archeological investigation request for a cultural and of granite. Progress at Latin American project can be finished in three weeks. Mayor Anderson-Towns said he would follow up with the DEP to determine if the Lafayette Street Park project requires NHPD approval when other grants. Thornton said he would follow up with the DEP, which has not received a response from the county. Library plans on application to the state Historic Preservation Office to obtain a Certificate of Need as a National Historic Landmark. City for the Lafayette Street Park project. He said the city was receiving a cultural and archeological investigation of the site. Thornton said his firm, with funding, will undertake the investigation, which means to begin work on the project. He added that the city is already working on the project. The project can be financed if funds are made available.
