Chief Warrant Officer
Timo Tammaro said graduations have been
taking place on Fridays but without families in
attendance. Only personnel needed to carry out the
ceremony are present, he said.

"These are our sons and daughters, our friends haven't been com-
ing home for graduation," Tammaro said. "We use our live-stream technology, so
the family and friends still see their graduates com-
plete boot camp.

"Recruits lire and normal-
time the training in the
squads. We're able to
employ social distancing without using slats," he
said. "There are some parts of training where you can't do that, but in the general sense, we have expanded in
aquad buy to accom-
mulate that.
