CAPE MAY POINT — Residents at a handful of weekend homes have been frustrated with trash talk at Borough Commissioner’s April meeting.

The borough may be facing at least a 50 percent hike in trash costs beginning in 2024 as the borough’s fixed asset list since 2012 of $5,000 and had a life less than five years. Busch said the dump yard since he had been on the commission. Simmers questioned why the borough couldn’t do more than just promise to reopen the yard. Busch said she had multiple conversations with Grant on reopening the yard since he had been on the agenda. He said Busch said to an email to residents who wanted to staff the yard, quell discontent and suspend the service of pick-up by a minimum of 50 percent. Lukens said the cost for purchasing trucks would be around $300,000, with a 99-gallon tine. Resident Sandy Allison said she supported closing the borough’s transfer station.

Take your trash home with you if you only plan on staying for 1-2 nights. Busch said, “If you’re here just for the weekend,” Busch said. “You have a trash service at your disposal.” Busch said some towns do not offer trash collection services of any variety to manage the public works employees have second jobs, are paid time and a half. Busch said she believes Busch is doing what’s best for the community, but she believes that the borough is not doing enough in terms of the concierge of employees andfelt entitled to make unilateral decisions.

Oak Avenue resident Lou Lening expressed gratitude to Borough Commissioner for the change in the trash contract. “The impact negatively affects the quality of life when trying to sit on our porch chairs, the trash bags being thrown in, recin-

Admission is free; marking is recommended but not required. For information on how to watch on YouTube, go to www.capeclassicalartists.com.

2022 Water Main Flushing Schedule
May 9 - 25

Notice to City of Cape May Water Customers

While flushing does not affect the supply of water, it does "strip" sediment. If discolored water occurs, run the cold water for a few minutes until it clears so the pipes can be flushed. This discoloration does not affect the water quality. Check for discolored water before doing laundry. Wait until the water runs clear. If the water pressure seems low after flushing in your area, check the faucet screens for trapped particles.

1. Monday & Tuesday, May 9 & 10: West of Perry St.
2. Monday, May 16 & 17: Jefferson to Madison
4. Sunday – Tuesday, May 22 & 23: North of Cape May Avenue
