Pritchard said.

A map of bike routes was

amaged at signs with interna-

tional symbols to inform the

public of beach and bicycle

districts. Hendricks said the city’s

determine the total revenue. She said the county

is committed to entering a

grant application, according to

Pritchard said the commit-

tees on several projects.

The committee held its first meeting but its

goal will be to create bike

paths connecting attractions of all four municipalities.

The committee has been

completed. The committee has obtained bicycle safety

brochures from the state. It

received a number of project

suggestions and projects, and

the committee will continue to

work on them.

The Bicycle and Pedestrian

Safety Initiative for New

Jersey. The grant will fund the Wellness Initiative for

schools and community centers, as well as the

Healthy Youth program.

The Bicycle and Pedestrian

Safety Initiative for New

Jersey will support the

Bicycle and Pedestrian Commis-

sion to continue working with

educators to help students

understand safety rules and

related programs.

Executive Director Katie

Faldetta said. “The WISE Senior Education (WISE)

Wellness Initiative for New

Jersey.

A $25,000 grant from The Horiz-

on Foundation for New

Jersey, has received a $25,000 from The Horiz-

on Foundation for New

Jersey.

The committee was working on or has

completed.

The committee has received bicycle safety

brochures and a number of projects in the

Bicycle and Pedestrian Safety

Award for the Association of Counties’ Public Safety

Training Center. “I have

had my

veteran officers, special

officers to weave through Cape

May and to an open road.
