VILLAS — The Lower Township Police Department has promoted Michael Majane to the rank of sergeant. He took the oath of office during a Lower Township Council meeting Sept. 9.

Majane has been a member of the Lower Township Police Department since 2016. In 2018, he was assigned to the detective division and was assigned as detective sergeant in October 2015, overseeing the detective division.

He was assigned as a police officer in December 2019. "I want to inform council and the public about today’s building permit action to get the properties in New Jersey to find unlicensed rentals," he said. He said the contractor, Del Ridgway, had been working vigorously to increase and defend the township’s revenue base. “When I started as a master sergeant years ago when we had well under 100 tax appeals, we had over 2,000 tax appeals. Last year was far less. Because many of the courts did not operate for a couple of weeks at a time and the public was not able to file in person, many of the filings for new cases were being brought in the last couple of weeks of the year. The court was not able to act on the matters of four police officers.

The CAFRA permit application can be viewed at either the municipal clerk’s office or by appointment with the Department of Environmental Protection.
