VILLAS — The city is preparing to repave Bayside Road, Lorier Towery’s main north-south arterial corridor, from Town Bank Road to Charles Street. A preconstruction meeting with Lower Township Manager Mike Laffey and Deputy Mayor Dennis Peden was held last week.

Peden said he had asked the city to include the proposed project as part of the 2020 budget. “They drove by the work, it’s not just a repaving,” he said. “They are making a lot of safety improvements.”

The original roadway was constructed in about 1929 and replaced in 1969. The sidewalk and parking area were added in 1974. In 2009, the bike path was added.

The roadway is 28 feet wide and includes 12-foot travel lanes, two-foot bicycle lanes, and a 3-foot raised median strip. Bezaire affirmed the median strip’s purpose.

“The work really forms on the island,” he said. “We have a substance evaluation,” Bezaire said.

DeLury consented to putting their names on the jury pool for one additional meeting.

The Cape May Police Department’s Patrol Division and Detectives Division conducted interviews and completed their investigation, which resulted in the arrest of four men charged with robbery, conspiracy to commit robbery and disorderly conduct.

David Reimold, of Chester Springs, Pa., was charged with robbery, conspiracy to commit robbery and disorderly conduct.

Brian Dignan, of Chester Springs, Pa., was charged with conspiracy to commit robbery and disorderly conduct.
