Animal Alliance to benefit from Acme’s bag program

As a beneficiary of the Acme Bag Program, Animal Alliance will receive free reusable bags and the sale of the reusable bags will benefit the organization. The program was launched in August, and Acme has made a goal of giving $1 to Animal Alliance for every reusable bag purchased through the end of the year. The Animal Alliance of Cape May County, located off Mariner Highway near historic Acme Markets, will use the profits from the sale of the reusable bags to support their mission, which is to provide low-cost spay/neuter and veterinary services and public education about the importance of controlling pet populations. The Animal Alliance is a member of the Cape May County Animal Management Agency (FEMA) for the purpose of providing assistance for disaster relief. The Animal Alliance is located at 419 Washington Street Mall in Cape May, NJ.
