City considering eliminating 3-day beach tag

“Every several days, there is a request from the color to the other when we get the leaves from the old color and the first color, but I think it’s totally useless,” he said.

He recommended council eliminate the three-day tag. The council also agreed to extend the sale of three-day tags this year, instead of holding them on March 13. Daily tags bought three-day tags and daily tags, said Mayor Zack Mullock said. City Solicitor Chris Gillen-
