WEST CAPE MAY — At the end of the school year, the Kiwanis Club of Cape May urged drivers to remember safety and the motto of the organization is “Light,” said the West Cape May Elementary School principal. Morris said the main mission of the organization is to help the children and teach them safety rules and information on the Kiwanis Club. “We know you’re going home and teach your children to ride their bicycles, wouldn’t drive their cars at night without a light,” Morris said. “What are you going to do this summer when you ride down Cleghorne Avenue?” he continued. “We hope you’re going to use a light.” The Kiwanis Club of Cape May also support the Bike Safety Coalition because Class 3 – Light is mandatory in all summer rental facilities.
