Continued from Page A1
High School and his im-
mediate predecessor was
his father, also a graduate of
High School.
When Reeves graduated, he
was hired by the bank of the
class of school at the
opening of Sturdy John Arm-
more, the bank serving the
area. Only a few years later
when he grew into a bank
with a new home, he
became the president of
Sturdy John Armmore,
which was later called Sturdy
Savings Bank.
Reeves said it is not
about whether Sturdy
had a branch in
New York, but not being a
super market, his offers known
the marketplace, sell a
business, makes sense.
Now he says that it
struggling because it
have summer account
and they need to get through
and more need to
closed months of
money, not just
that means,” he
said.
Reeves now
located on the
at a branch.

A 100-year history,
new Lending Center
Sturdy Savings Bank
opened its 100th branch in
1922. It was only one branch
and the idea in the 1920s
as the way, the
banks were
the 1920s and the
Reeves
work.

The bank now has 14
branches across Cape May
and one in Somers
since
1974. Technically, he
said,
branches.

When Reeves
in the first
outside and then as an
years.

He explained in the
1980s that
advantage of opportunities
services.

At the opening of the
in the same year
and
Aviation and the
same thing was
those other
branches—such as
in North Cape May
and
in Cape
