New police chief good choice poorly handled

President Donald Trump's loyalists who assaulted our nation's Capitol on Jan. 6 are guilty of assault.

No one should be surprised. The rioters and insurrectionists at the Capitol were the works of Trump. No one can honestly deny that.

The president failed the American people at a critical moment.

They had a chance to stop the attack on the Capitol. They had a chance to stop the violence.

President Donald Trump's lies and refusing to acknowledge Joe Biden's presidential victory until the last minute of their own voting rights were dashed in January.

Biden and the other political leaders are the true heroes of the day.

They had enough guts to refuse the decrees of the mob. They had the courage to stand up for the Constitution.

We should try to listen to view-

We can also demand more from our leaders. We can also demand more from Congress. We can also demand more from the courts.

We have the power to make a difference.

The other article that appeared in the Star and Wave a week or two before today's was entitled "HPC proposal will now go before the council? By most accounts it was.
