Beele decimating pine trees in Lower neighborhood

**By JACK FICHTER**

CAPE MAY — The Brynnwood Estates neighborhood has been facing a problem since 2013 when the bug had arrived. Phil and Judy Caruso of Cape May Drone/photography have been working with the subdivision owner to get the infestation under control. A neighbor had 15 to 20 trees cut down, said Jim Morton, pointing out that people don't care it's spreading?
