CAPE MAY — The city has nego-
tiated a settlement in its lawsuit against the county Prosecutor’s Of-
cine, allowing the city to proceed with the disciplinary hearing in the com-
time probe.

The settlement, which will be subject to approval by the city’s Board of \ordinatees, has been ongoing for more than a year.

The city had filed suit in July 2014, alleging that the county Prosecutor’s Office had violated the city’s personnel rules.

The city had been trying to move forward with the disciplinary hearing in the case, but the county Prosecutor’s Office had contested the city’s ability to do so.

The settlement will allow the city to proceed with the disciplinary hearing, and the city will be able to move forward with the comp time probe.

CAPE MAY — The Army Corps of Engineers and the Department of Environmental Protection (DEP) are in talks about the beach slope in Cape May.

The Army Corps of Engineers and the DEP are working on a project to stabilize the beach slope in Cape May.

The beach slope is a concern for the city of Cape May, as it is a popular spot for tourists and residents.

The city has been working with the Army Corps of Engineers and the DEP to stabilize the beach slope.

The project will involve the installation of a new beach slope.
