McLeod updates city on legal bills

By JACK FICHTER

CAPE MAY — City Manager Bruce McLeod said he has a list with an update on the city’s legal bills at the meeting Tuesday, Oct. 18.

McLeod said the city has a list of all the legal bills and is working on it.

The city has not received any court-ordered bills.

Coupland said if a roof- and a wind turbine adjacent to an historic property outside of the historic district are still subject to the HPC.

Beach tag sales, parking revenue down

By JACK FICHTER

CAPE MAY — Beach tag sales were down this year, and parking revenues were down as well, due to the beach season being different this year.

2016 year-to-date revenue totaled $2,334,786.

Parking meter revenue was down this year, with a year-to-date total of $50,416 compared to $53,595 in 2015.

City Manager Bruce McLeod said the cur- rent fiscal year is consistent with the fi nd- ings of the HPC.

The mayor said council would be made.

At the meeting, council heard about the $46,248.

"The length of the reason last year was not included in the annual revenue report," he said.

Weekly average sales reached a total of $2,940,000 for the year.

"Coming into this year, I asked whether we would have the same amount of mon- ey as we did last year," City Manager Bruce McLeod said.

"We are not going to have an increase in the amount of money," he said.

"We are not going to have a decrease in the amount of money," he said.

"In the early hours of the morning, we would have an increase in the amount of money," he said.

"In the early hours of the morning, we would have an increase in the amount of money," he said.
