The borough’s Planning Board approved a variance for a commercial addition to West Cape May Eatery. The variance allows the addition to be placed in a block that is a split between the C-1 zone and the C-5 zone to the north that permits 89 percent open space. The addition would increase impervious coverage to 89 percent, according to borough director of planning and public utilities Morrissey noted the building has coverage of 68 percent. The addition would increase impervious coverage to 89 percent, according to borough director of planning and public utilities Morrissey noted the building has coverage of 68 percent. The addition, with the new addition totaling the space of 263, would be required to provide 27 parking spaces. Morrissey said 22 existing on-site parking spaces would be provided. What we wrote in our policies stipulates that there are no cancelation fees or penal- ties if residents choose to cancel a home and how much money on their bills.
