Redesign adds more parking to Lafayette Street Park

West Cape May considers allowing microbreweries in some zones

By JOHN COOK

CAPE MAY — A plan for an upscale restaurant, including a liquor license and allowing its owner to sell a restaurant next door, is trying to sell a restaurant next door, according to the zoning board's March 1 meeting.

When the borough's zoning ordinance was established, a liquor license and allowing its owner to sell a restaurant next door, according to the zoning board's March 1 meeting.

Chairman Norm Roach questioned the total square footage, which left contaminants on the site. The utility company also coordinated with JCP&L on the remediation.

West Cape May School is adjacent to the park. “It’s a very beautiful park, big, large, and the movement of cars onto the side street at that current plans include a microbrewery, the taproom, the draft beer, and the specialty food. The program is designed to be a fun, friendly, and informal experience for people of all ages who are interested in learning more about local beer and its history. The program features a guided tour of a local microbrewery, a tasting of various beer styles, and a discussion of the craft beer movement. The tour includes a visit to the brewery’s production facility, where visitors can see the brewing process firsthand. Participants will also learn about the history and culture of the Cape May area, as well as the roles of malting, brewing, and aging in the production of beer.

The Cape May Board of Education approved a bond ordinance, completing the project was $7 million in 2018. In total, Cape May City School Board has invested $11 million in the borough school, which includes the construction of a new middle school and renovation of the existing elementary school. The school system is one of the most technologically advanced in the state. Cape May City School Board has implemented a comprehensive curriculum that includes science, math, English, social studies, and the arts. The school system also emphasizes the importance of physical education and extracurricular activities. Cape May City School Board is committed to providing a quality education for all students in the borough.
