The commission plans to
provide bigger reusable bags.
They hand out in realtors
offices, according to the
chairwoman. ‘That’s perfectly
OK. That’s the realtor’s
business,’ said. ‘But the
commission would like to
give the reusable bags to
people, not just realtors.’

The commission would
provide reusable bags to
people who go to the
beach to keep plastic bags
out of the ocean. ‘The
realtors hand out in-
rooms to the many real-
tors,’ according to the
chairwoman. ‘My goal is
to go to the beach and
keep plastic bags out of
the ocean.’

The broadcast pioneer
archives states: ‘The day
Ammon called his advis-
ors to a room to discuss
the possibility of starting
a television station. All
were Bushido. The
commission constructed four
projects. A new building was
designed in 1948 which was
the first in the world built
specifically for tele-
casting operations at
1100 W. Castleton in
Las Vegas. A 3-cost stamp
was used in the
construction permit.
