Horoscopes
Week of Aug. 10 to Aug. 16, 2016

AQUARIUS
Your love life will be off to a good start. You're given a job that's more in line with your energy levels, and you feel energized by the new challenge. In the social arena, you'll be surrounded by friendly and interesting people. בית

ARIES
You may feel a bit overwhelmed by all the changes happening around you. Your energy may be scattered as you try to juggle multiple tasks. Your relationships with others may be strained. Your work may be demanding, and you may feel a need to rest and recharge.

TAURUS
You'll feel a need to slow down and enjoy some peace and quiet. Your love relationship may be going through a period of adjustment, but you'll find ways to keep the connection strong. You may feel a need to focus on your health and well-being.

GEMINI
You may feel a bit tired and drained. Your loved ones may be asking a lot of you, and you may feel like you can't say no. Your relationships may be strained as you try to balance your own needs with the needs of others. You may feel a need to prioritize your energy and time.

CANCER
You feel like spoiling yourself, renewing your wardrobe, and treating yourself to something special. Your love relationship may be going through a period of transition, but you'll find ways to keep the connection strong. You may feel a need to focus on your health and well-being.

LEO
If you haven't yet had a relaxing and fulfilling vacation this summer, plan a nice getaway that allows you to unwind and recharge. You'll feel a need to focus on your relationships and your well-being.

VIRGO
Your love life will be off to a good start. You're given a job that's more in line with your energy levels, and you feel energized by the new challenge. In the social arena, you'll be surrounded by friendly and interesting people.

LIBRA
You may feel a bit overwhelmed by all the changes happening around you. Your energy may be scattered as you try to juggle multiple tasks. Your relationships with others may be strained. Your work may be demanding, and you may feel a need to rest and recharge.

SCORPIO
This is a good time to focus on your health and well-being. You may feel a need to prioritize your energy and time. You may feel a sense of renewal and rejuvenation.

SAGITTARIUS
You feel like spoiling yourself, renewing your wardrobe, and treating yourself to something special. Your love relationship may be going through a period of transition, but you'll find ways to keep the connection strong. You may feel a need to focus on your health and well-being.

CAPRICORN
You may feel a bit tired and drained. Your loved ones may be asking a lot of you, and you may feel like you can't say no. Your relationships may be strained as you try to balance your own needs with the needs of others. You may feel a need to prioritize your energy and time.

PISCES
You feel like spoiling yourself, renewing your wardrobe, and treating yourself to something special. Your love relationship may be going through a period of transition, but you'll find ways to keep the connection strong. You may feel a need to focus on your health and well-being.
