The Cape May Star and Wave has been watching over the shores at the southernmost tip of New Jersey since 1843. It is where locals and visitors have turned for their news and weather for more than 150 years.

The Star and Wave is a weekly newspaper for local people, and a great resource for visitors who want to stay afloat on what is happening in Cape May, Cape May Point, Cape May City, the Villas, Stone Bank, Fishing Creek, Era and the rest of Lower Township, along with other local communities.

From keeping a watch on the political machinations in Cape May County and cities and towns to offering a wonderful forum for opinion and expression of citizens and elected officials alike, the Cape May Star and Wave is part of the living history of this area. Stay tuned to find the best glass for dining, entertaining, shopping and household services.
